

# J L WILSON

# LIE TO *Adventures in Retirement* ME

Grace Jamison has always been unlucky in love but this is ridiculous.

What was supposed to be a blind date has turned into an FBI sting operation, complete with handsome Special Agent Ben Braden, a train ride and chase through the Badlands, and a final confrontation at a safe house — which turned out to be not so safe.

If she can survive that, she can probably survive having her heart broken by Ben...unless she can convince him to take a chance on love.
